

Greetings All,

Less than two months until the OAAS Convention, the OAAS is working hard to prepare for another great convention and there are some great promotional opportunities for you to consider and gain exposure for yourself, fair, company or business at the 2018 OAAS Convention.

Please consider the following:

1. Would your business/fair/organization consider advertising on the OAAS Convention text message notifications & website?? For only \$500 you will receive recognition on the OAAS text message services during the convention, gaining you publicity to everyone who is attending the OAAS Convention PLUS for a limited time we would like to also offer you a complimentary advertising space on the OAAS website/home page for an entire year, *but only when you purchase advertising space on the text messaging services.*
2. Also, back by popular demand, the OAAS would like to offer you a promotional space in the full colour, glossy, convention program for 2018. There are three different options available, listed below and also attached a "ad proof" which will show the sizes.

The available sizes are:

Full Page: 7.25 inches tall x 4.5 inches wide for \$200

Half Page: 3.67 Inches tall x 4.5 Inches wide for \$150

Quarter Page: 3.67 inches tall x 2.3 inches wide for \$100

Along with your with advertising, you will be named as convention sponsor on the various partnership posters, signage, electronic and printed materials.

If you are unable to attend the convention, advertising will be a great way for the fairs to notice you.

Please reserve your advertising spot January 10th, by contacting the OAAS office. (oaas@bellnet.ca)

If you haven't had the opportunity to sign up for your 2018 Service Membership, please do so as soon as possible. Sign up and payment is all completed online. (including tradeshow booths, still available) <https://www.assistexpo.ca/oaas>

Any questions please let me know. *Kathryn*
