

Guided by one of our amazing **Game Masters**, you and your friends will embark on an **interactive adventure** that will not be forgotten.

**Search** for clues, **find** hidden objects, **solve** puzzles and crack codes to **escape** the room before time runs out.

## A Message from our Founder...

Megan Dewar, MBA

*"We build immersive rooms with interactive storylines and challenging puzzles that will ignite your curiosity and encourage you to truly escape reality."*

*I want everyone to walk away saying - WOW, that was so much FUN!"*
