

OAAS Volunteers & Youth Policies and Procedures

Policy Type:	Volunteer – Youth Policies and Procedures	7.7
Policy Title:	Activities Involving Youth	
Adopted:	May 15, 2018	
Reviewed and/or amended:	May 2022	

Programs should be planned in such ways that eliminate situations where there would be access to a youth in private by an adult. In this way, we are taking steps to ensure no harm comes to a youth by an adult as well as to avoid false accusations.

Compliance with this policy is mandatory for all OAAS provincial or district events. Compliance with this policy is strongly recommended to all agricultural societies.
